

KISAR February 18, 2021 BoD Minutes

Call to order at 6:30 PM at Bayside Fire Hall

Minutes prepared by Philip T

Directors present: Wielebski, Tschersich, Gibbs, Boyle, Cottrel

The board discussed starting the application for 501(c)(3) non-profit status over again. Philip agreed to help Nick with the process in any way possible.

Philip offered some possible training topics:

Boyle could lead a training on best practices for KISAR members who are responding to a possible crime scene when the subject of the search turns out to be deceased.

Gibbs could coordinate medical training for KISAR members using local resources attached to Bayside Fire or KANA.

Cottrel could outline a list of what would be most helpful to a CG helo crew that KISAR members on the ground could do such as identify a landing zone, vectoring the air crew to the site, collect local weather observations, relay patient assessment information to a flight surgeon, efficient and proper radio comms, etc.

Meeting adjourned at 7:00 PM.
