

KISAR October 16, 2024 General Meeting Minutes

Call to order at 7:05 PM at Bayside Firehall

Meeting Minutes read by Doug Dorner and unanimously approved

No financial report from Nick

Nick asked about interest in a SAR Tec 2 class trying to judge if it is worth looking for funding and coordinating with the instructor on possible times.

Steve talked about the need for trail maintenance for access to the KISAR hut and work that needs to be done on the hut. Several members were not familiar with the hut so Steve gave a rundown of where it's located and how we use it. Steve encouraged members to use the hut as just hiking there and staying would be good general training and help keep the hut in good shape.

Deb A is scheduled to teach a custom class 12/7 and 12/8

A vote was held for amending the by-laws to include an Ex Officio Coast Guard position on the KISAE board. A notice had been emailed to all KISAR members on Aug 21 and a discussion was opened on the proposed changes.

General Meeting was adjourned at 7:30 PM

Special meeting was called to order at 7:31 PM

It was moved to adopt the amendment to include the Ex Officio board position as written and was unanimously approved.

Catherine Cantu was the only nominee for the Ex Officio position. She was approved unanimously.

Special meeting was adjourned at 7:35 PM

Following the meeting the Bayside Fire Chief gave a talk on scene and patient assessment.
